

To make the registration process straightforward, please follow the steps below for all team members:

1. Create a Triathlon Ireland account

All relay participants must first register as a free site user with Triathlon Ireland to receive their TI number.

Sign up here:

<https://app.triathlonireland.com/register>

Once your account has been made, you will see your unique TI number.

2. Nominate a Team Captain

Once everyone has their TI number, each team should nominate a Team Captain.

3. Team Captain registers the team

The Team Captain can then register the team using the race entry link below. During registration they will be asked to enter the TI numbers of their teammates and enter the Team Name (Company Name + Team Name)

If you would like to be invoiced for your entry, use the code: **DCT26-CORP-INV** at the payment page

For any queries, contact events@triathlonireland.com

Additional notes

- Only one One Day Membership is required per team.
- If a member of the team holds annual Triathlon Ireland membership, this will cover the team.
- If you do not hold annual Triathlon Ireland membership, the One Day Membership will automatically be added during registration.
- This process ensures that all athletes are correctly registered for the event and covered under Triathlon Ireland insurance for the race.
